

FROGBOX™

FROM ONE PAD TO ANOTHER

FROGBOX Moving Box Rental

FROGBOX takes the stress out of moving by delivering durable, reusable plastic boxes to your client's home before they move, and picking them up at the new home when they're done. It eliminates the hassles of finding, assembling, and storing or recycling moving boxes.

FROGBOX rental is on par with the cost of cardboard boxes, plus they're offering a 10% discount exclusively for Windermere agents.

To place an order, go to www.frogbox.com/Seattle (enter "SEAWINDERMERE10" in the "Additional Order Information" field of the order form to receive your discount), or call 1-877-FROGBOX, or contact FROGBOX General Manager Jeremy Holmes at jeremy@frogbox.com.
