## Getting Ready to Move?

- How do I find a good Mover?
- Do I really need one?
- Do I need to make a deposit on my move?
- Can I trust the telemarketers who call me?
- How many estimates should I get?
- What kind of storage is right for my needs?
- What can I do to reduce the cost?
- What happens when I encounter a problem with the moving company?

**If you answered "I don't know" to any of the above, Moving Link may be the solution for you!**
